Member Business Directory

The 2017 Ohio Horseman's Council Business Directory is a new benefit for all OHC members. Equine-related business owners who are OHC members can advertise their business to other members for free, and OHC members shopping for goods or services can find other OHC members to patronize, all in one place!

This wide-ranging resource features businesses of all kinds, from all over Ohio. Find a boarding facility or a horse trainer who supports the work of the OHC. Need an equine photographer? Need your barn repaired? Does your OHC chapter need a parade banner or flag for an event? How about embroidered apparel? You can find the services you need in the 2017 OHC Business Directory. Support your fellow OHC members!

Campgrounds (Private)

Welcome to Horse Country Campground your neighbors to the great north country of the Ottawa Valley about one hour from Ottawa in the small and beautiful town of Forester Falls, Ontario.

We have everything you want for a family vacation with your equine: a riding ring, extreme challenge trail course, access to 30+ miles of trails, a horse swimming area, and many other fun and enjoyable activities. Should you ever get tired of riding, you can tie your reins and grab an oar to enjoy rafting or kayaking the Ottawa River. The resort offers full meals and entertainment with bar, hot tubs and other relaxing amenities.

August 10-14: Pick-N-Ride weekend, with seven great bluegrass bands, and David Crowley's Two Way Trust and Extreme Cowboy Racing.

September 11-18: 'Best of America by Horseback' with Tom Seay and his film crew for a week of rides and fun around the campfire. You might wind up on TV!
